Kurdistan Islamic Union Manifesto

KIU is a reformist national party, striving to resolve the political, social, economic and cultural issues of society in an Islamic perspective.

KIU emblem:

- 1 - Crescent embraces shaking hands with a mountain its top covered with snow.
- 2 – Slogan words: Freedom, fraternity, justice.

KIU general principles:

- 1 - Fixed Islamic principles are reference to work and source of political inspiration of the values.
- 2 - Reform is a particular vision for political action, administrating community and peaceful change.
- 3 - Justice is a guarantee for providing the rights of the individual and society, and it is a measure for power rating.
- 4 - Islamic heritage and history are a limited experience of human in a specific time and place, the amount of benefit from them depend on the requirements of times and problems.
- 5 – Understanding from (Maqassed) of Islam and Islamic law, is a way to accommodate the present time and solving the thinking problems.
- 6 – (Shura) is a high Islamic value, and its application in contemporary political life depends on taking advantage of the mechanisms of democracy as a practical method to ensure the legitimacy and political participation and the achievement of freedoms.
- 7 – Accepting pluralism and its consequences, and the peaceful rotation of power through general elections.
- 8 - The people are the source of authorities; govern themselves through their elected representatives according to a civil constitution.
- 9 - Freedom is a central human value, reflects the honor of the creator of mankind.
- 10 - Terrorism and extremism were contrary to the spirit of Islam, they are threats to Kurdistan Region, Iraq and lives of peoples.
- 11 - Freedom of thought and religion are the basic rights of man, everyone must be guaranteed according to law.
- 12 – The right of life and human happiness are guaranteed every person by God; it is not allowed to anyone extract from anyone else.
- 13 - Men and women are complementary to each other, and they have equal rights and human dignity with considering their features.
- 14 - the Kurdish people is an independent nation, and part religiously is a part Islam Ummah, it has the same rights enjoyed by other Muslim peoples, including the right of determination, and being Kurdish, Kurd and Islamic are three key elements of the identity of the people of Kurdistan.
- 15 - Kurdish uprisings and revolutions throughout history are reactions about the injustice and inequality, and they attempts to achieve the rights.
- 16 - Multi-national, religious, sectarian and political in Kurdistan is an element of strength and enrichment for the people of Kurdistan under the co-existence and tolerance.
- 17 - All those who live in the Kurdistan Region and Iraq, are equal in right of citizenship despite their national, religious and political differences.
- 18 - Rejection of closure on behalf of the nobility, and openness on behalf modernity, but the recognition that cultural and civilization interaction is through the development and real innovation.
- 19 - Islamic principle of dialogue is a civilized approach to resolve the crisis to avert violence and not accepting the other.
- 20 - Moderation in thought and practice is an Islamic demand and a need in contemporary reality of Kurdistan and Iraq.
- 21 - Dictatorship and autocracy are the source of most of the corruption and underdevelopment in the region's past and present, and opposing them are an Islamic, moral and patriotic duty of all the peoples of the region and its political movements.
- 22 – Government is a neutral civil establishment over the intellectual and political currents in society, and it is a platform for joint action and co-existence as a condition for civil society and political development.
- 23 - Rejecting intolerance and national, religious, sectarian and sectarian exclusion in Kurdistan and Iraq.
- 24 - Islamic Education is a real way to prepare good citizens and good governance.

KIU Goals

First: In political field

A: Kurdish issues:

- 1 - Struggle to achieve the legitimate rights of our people which in this stage are embodied in the approval of federalism and other rights.
- 2 - Work to remove the effects of the policy of Arabization, displacement and deportation.
- 3 - To seek formal announcement on the fate of victims of the Anfal operations and compensate their families.
- 4 - Work to compensate relatives of the victims of the Baathist regime as victims of chemical attacks and others.
- 5 - Work to strengthen the role of the Kurdistan Parliament by converting it into an institution with authority commensurate with their duties, control and accountability of government and approve the budget and the representation of the people in the crucial issues.
- 6 - Defending of the Kurdish issue in front of public opinion in the Arab and Islamic countries, showing the people of Kurdistan as a people with rights and with a view to his promotion.
- 7 - Work to establish a balanced relationship between Kurdish people and neighboring peoples, and to try to deepen the dialogue process, the Arab-Kurdish, Kurdish-Persian, Kurdish-Turkish, in order to achieve peace, stability and coexistence among the peoples of the region.

- 8 - Support the struggle of the people of Kurdistan in other parts of Kurdistan, in order to access their rights and find a peaceful solution to issues.
- 9 - To maintain national identity and values of the society to face the negative trend of globalization.
- 10 - Advocacy of political, civil and cultural rights of Turcomen.
- 11 - Advocacy of political, civil and cultural rights of Cideans and Assyrians.
- 12 - Seeking to determine the borders of the Kurdistan Region in accordance with legal and historical documents.

B - Iraqi issues:

- 1 - To participate in building a democratic, federal parliamentary, pluralist and unified Iraq.
- 2 - Working to end terrorism and violence, establishing security and restoring calm and stability in the country.
- 3 - Rejection of arrogance and anti-national sectarianism or any form of domination and exclusivity in the future Iraq.
- 4 - Work to support a peaceful Iraq on the basis of good neighborliness and common interests in its relations with neighboring countries and the region.
- 5 - Work to give priority in the allocation of national budget for the worst-hit areas under the previous dictatorial regime.
- 6 - Struggle for the removal of Baathist influence of culture, the dissemination of moderate thought, tolerance, coexistence and a culture of human rights.
- 7 - The reorganization of Iraq's external relations, in proportion to ensure the security and independence of Iraq, and securing the rights of all its components.

First: The policy issues
